Management and Clinician Openings!

North Range Behavioral Health is a thriving provider of behavioral health services in Northern Colorado. We serve children, youth, families, and adults through a variety of preventive, outpatient, intensive, inpatient and specialized programming. If you're driven to help others, have high standards and a desire to work in a collaborative, innovative environment, consider a career at North Range Behavioral Health.

Position Openings:
Management at a Program Director and Program Coordinator level. Management personnel have the opportunity to work with a wide range of skilled professionals and to further enhance our treatment approaches. You will be involved in community collaboration, integrating care, and influencing the direction of behavioral health treatment to best meet the needs of our customers and their families.

Licensed and Unlicensed Clinicians are sought to provide on-going assessment, crisis intervention, individual, family, and group therapy as well as case management for individuals with mild to severe mental and/or substance abuse challenges. Positions are available across programs and systems including child/youth/family, adults with mild to severe challenges, jail-based and domestic violence, inpatient and crisis response.

Qualifications:
- Master’s degree in counseling, psychology, social work or related field from an accredited college or university
- Colorado Clinical License (LCSW, LPC, LMFT, or LP) required for some positions
- Bilingual/Spanish speaking highly desired (monetary incentives offered)
- 2-3 years’ experience in the Mental/Behavioral Health field serving clientele of varying diagnoses and levels of impairment
- Clinical supervision and/or management experience
- Additional experience may be required for specific positions
