Currently seeking a friendly, out-going individual who is customer service driven. Candidate must have person centered focus and interested in implementing culture change through personal interactions with our elderly population.

**Job Duties**

- Participate in discharge planning; development and implementation of social care plans and resident assessments
- Provide information to resident/families as to Medicare/Medicaid, and other financial assistance programs available to the resident
- Interview residents, or family members, as necessary, to obtain social history
- Develop preliminary and comprehensive assessments of the social service needs of each resident.
- Develop a written plan of care for each resident that identifies social problems/needs of the resident and the goals to be accomplished for each problem/need identified.
- Assist in the scheduling of care plans and assessments to be presented and discussed at each committee meeting.
- Review complaints and grievances made by the resident and make a written/oral report to the Administrator indicating what action(s) were taken to resolve the complaint or grievance. Follow facility’s established procedures.
- Provide residents with information concerning resident rights, living wills, etc.
- Performs other duties as assigned.

**Requirements**

- Social Services experience or BSW
- Long Term Care Experience a plus
- Bi-Lingual a plus
