Successful Residential Treatment Program is Seeking Individuals to Join our Growing Team – Amazing Career Opportunities available based on applicant strengths.

This is an outstanding opportunity to join an extremely well trained, strongly supported and highly effective team that has a proven record of providing high quality therapeutic services to children and families in a residential treatment setting. We value a structured environment consisting of Christian principles, respect and engaged learning - allowing our team to make significant, and in some cases, life changing differences in children’s lives.

A wide range of opportunity is available - hiring and program decisions will be based on applicant strengths as we seek to expand our continuum of care and continue to provide high quality services.

Individuals with unique credentials or certifications in specific program areas or experience in residential treatment, adolescent chemical dependency, acute care, individual, group and family therapy sessions, program development, or management are strongly encouraged to apply.

This position requires a Master’s degree from a CACREP or CORE accredited program in counseling or psychology, a CSWE accredited program in social work OR an AAMFT accredited program in Marriage and Family Therapy. Successful applicant will also possess WY license, provisional licensure, OR be eligible to meet WY licensure requirement within one year of employment.

BENEFITS:
Competitive salary commensurate with experience and qualifications, major medical, dental, and vision insurance, paid time off, retirement plan, life and long term disability insurance, scholarship program, extensive staff development.
