Personnel Subarea Fixed Term Faculty-FAS
Union Affiliation Non Union
Appointment Basis: Annual Year, 12 months
Appointment Status: Fixed Term Faculty
Employment %: 100

Work Location:

Faculty: Salary Range $41,000.00 - 47,000.00
Support Staff: Pay Minimum

In coordination with the Graduate School of Social Work and Field Education Office, this person will be responsible for developing a human-animal bond certificate and teaching courses (academic and professional) as assigned by the Associate Director of Social Work and Director of Community Programs.

Position Summary:

Under the direction of the MSU School of Social Work and the MSU Veterinary Medical Center, the Instructor is responsible for the day to day management and coordination of the Veterinary Social Work Services within the Veterinary Medical Center (VMC). Veterinary Social Work Services offers support for the clients of the VMC. This position conducts program evaluation related to social work services provided and the needs of stakeholders impacted. The Instructor is responsible for regular and consistent outreach to VMC clients and faculty, facilitating grief and loss support groups, and activities to prevent compassion fatigue for medical staff and faculty of the VMC. This position is responsible for developing measures to evaluate social work services. The Instructor will also be responsible for the training and supervision of social work student interns throughout the year; attending School of Social Work faculty meetings, committees, and events; additional duties as assigned.

Faculty: Minimum Qualifications
Support Staff: Minimum Requirements

Master's Degree in Social Work with a minimum of two years post graduate work experience, in possession of or eligible for social work licensure in the State of Michigan. Candidates must have strong interpersonal and crisis intervention skills with an emphasis on grief and loss and short term assessment, group facilitation experience, and the ability to connect people to key resources and referrals.

Desired Qualifications:

Professional experience with human-animal bond, traumatic loss, and grief counseling. Experience with compassion fatigue prevention efforts, mental health counseling, conflict resolution, and navigating end of life transitions is preferred. Additionally, experience with evaluation of client services or programs as well as academic teaching is desirable.
