Phi Alpha Honor Society
THETA PI CHAPTER

We are recruiting for new members of Phi Alpha Honor Society 2015!

The purposes of the Phi Alpha Honor Society are to provide a closer bond among students of social work and to promote humanitarian goals and ideals. Phi Alpha fosters high standards of education for social workers and invites into membership those who have attained excellence in scholarship and achievement in social work.

The concept of a national social work honor society came from a group of undergraduate social work students at Michigan State University in 1960. Investigation revealed that local chapters existed at three schools. Those three schools along with a few other schools formed a National Honor Society Committee in November, 1960. The name Phi Alpha was adopted, and the constitution and formal organization were completed in 1962, along with six “charter chapters”. There are now over 380 chapters in existence, including Theta Pi, the name of our chapter at the CSU School of Social Work.

The application due is April 26. Please see attached application form.
